

How to use WooBox Art mosaics:

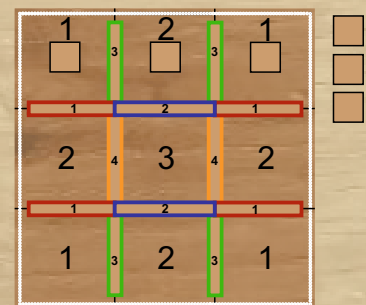

- ① Scan QR code on the box or visit www.woobox.space
- ② Follow to Pixel Art menu. **GET INSTRUCTIONS**
- ③ Follow the application steps to get your assembling instruction to your email.
- ④ Find 7 colors bricks in your WooBox. Bricks are coming with corresponding numbering and are packed in the separate bags.
- ⑤ Find the assembling base fields in your box (4 for size S, 6 for size M and 9 for size L). Arrange them by numbers like shown below:

Size S

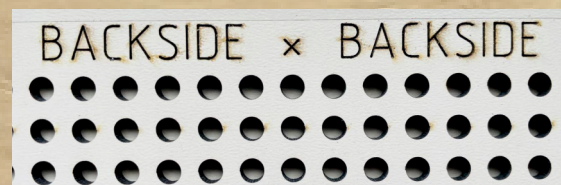

Size M

Size L

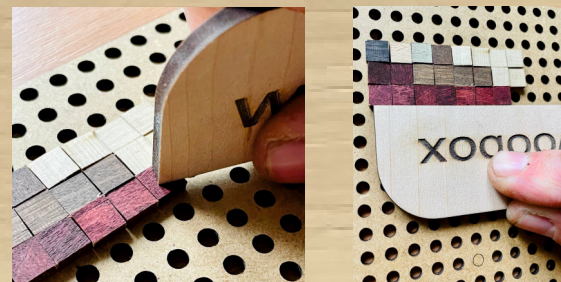

- ⑥ Use the face side of the base fields (find the Backside sign on your base fields). Use the face side of the base fields for mosaics assembling.

- ⑦ Start to fill the fields with the mosaic bricks according to the pattern received by email. Important: for better result use the mosaic bricks in the right direction.

- ⑧ Use a mounting tool to fix the mosaics bricks inside the assembling fields and also to arrange them closer one-to-one.

- ⑨ After finished assembling put the base fields on the plain surface facing down and fix the fields together with the fixing bars. Please mention the bars numbers, following the scheme from the step 5.

- ⑩ Find the screws and hanging loops and screw them to the fixing squares. There are 2 squares for size S and 3 for sizes M and L.

- ⑪ For better appearance use the oak frame by WooBox. Align first all parts of the frame and only after screw the frame parts together.

- ⑫ Hang your picture on the wall and **enjoy your masterpiece that reminds about best moment and people in your life!**
